

Grants and Fellowships

The Organizing committee is pleased to announce that a limited number of grants and fellowships will be available to provide financial support for deserving attendees from developing countries. Applicants must submit the following information to the Congress Director by 31 December 2003.

- Applicant's name, address and contact information

- Applicant's employer or institution name, address and contact information

- Applicant's level of participation in the Congress

Intend to present a paper (abstract)

** In case of submission, please attach your abstract with your registration number*

Member Delegate to General Assembly (credentials attached)

Other (please indicate here)

- Applicant seeks support for:

Accommodation (specify number of days) _____

Registration _____

Meals and local transport (number of days) _____

Airfare (specify exact dates) _____

- Amount of support provided to applicant by employer and/or institution (please specify in a letter signed by employer and/or by Ordinary Member Organization)

Note that the applicant's level of participation and the letters from the applicant's employers and Ordinary Member Organizations will be the primary means used to evaluate the grant application. Air tickets will be provided to grantees at the airport and no changes to itinerary will be permitted.
